

UTTAR PRADESH POULTRY DEVELOPMENT PROJECT-2013

Introduction

Development of Animal Husbandry and Dairying in the form of small industries is among one of the priorities of the present government. It is very important to give priority to poultry development in the Animal husbandry sector because the egg production of the State at present is 108 crore while the consumption is 473 crore per year. Similarly requirement of chicken meat is met by procuring and rearing about 10 crore one day old broiler chicks annually.

Indian Nutritional Academy, Hyderabad has suggested consumption of 182 eggs per head per annum as standard. The National availability is 53 eggs while in U.P. it is 22 eggs. Similarly the standard suggested for chicken meat consumption is 11.00 kg, the National availability is 2.20 kg and for U.P. it is 0.987 kg per head per annum.

This clearly reflects the huge gap in requirement & availability. Though the State have enormous potential and conducive environment for poultry development yet only Backyard Poultry is developing steadily in the State. In spite of rich resources like availability of maize grain, other poultry feed ingredients, plenty of man power, huge market, steep rise in poultry product consumption; development of entrepreneurship in poultry sector is not taking required pace in the State. Therefore, for the development of entrepreneurship and making state self sufficient by providing incentives and creating investor friendly environment, the State Govt. has proposed bankable schemes for establishment of 123 lac commercial layer and 6 lac parent broiler birds in next five years. In the scheme measures have been taken for financial relief through required poultry policy initiatives.

2. Name of the Schemes

- (i) Establishment of Commercial Layer Farm
- (ii) Establishment of Parent Broiler Farm

2.1 Establishment of Commercial Layer Farms

In the first stage 123 lac commercial layer birds units will be established in five years in order to produce nearly 365 crore eggs for making State self sufficient in egg production.

- 2.1.1 Thirty thousand birds shall be considered as one unit. Entrepreneur may establish more than one unit and will be entitled for getting 10% interest subvention on the term loan for five years (60 months) to the maximum of Rs. 40.00 lac per unit. In case amount of term loan is less, then 10% subvention in interest will be calculated on actual amount of term loan taken and in any case it will never be more than Rs. 40.00lacs per unit in five years (60 months). Cost of one Unit of 30000 Layer Birds is Rs. 180.00 lac.

Bank loan (TL+CC) = 126.00 lac (70%. Margin Money - INR = 54.00 lac (30%)

2.2 Establishment of Parent Broiler Farms

With the objective of making broiler farming more profitable and organised and making state self sufficient in broiler chicks production, establishment of six lac

broiler parent birds farm in next five years will be encouraged in order to produce nearly 972 lac chicks within the State.

2.2.1 Ten thousand birds shall be considered as one unit. Entrepreneur may establish more than one unit and the entrepreneur will be entitled for getting 10% interest subvention on the term loan for five years (60 months) to the maximum of Rs. 45.00 lac per unit. In case amount of term loan is less the 10% subvention in interest will be calculated on actual amount of term loan taken and in any case it will never be more than Rs. 45.00 lacs per unit in five years (60 months). Cost of Project of one Unit (10000 Birds) = Rs. 206.50 lac. Bank loan 70% = 145.00 lac, Margin Money 30% = 61.50 lac

- 3. Effective date of the Scheme-** The benefit of the scheme will be effective from 17.06.2013 (date of release of Govt. Notification). No. 2280/Thirty Seven-2-2013-1(45)/12

APPLICABLE FOR BOTH SCHEME

4. Eligibility

- No domicile restriction.
- Scheme is open for every one residing in India or abroad.
- NRI's and entrepreneurs from other countries are also eligible.
- Individual/partnership/groups/companies are also eligible.
- Any body applying for the establishment of units must have land in his name.

(a) No of Units one can opt:-

- There is no upper limit for number of units , any body can opt for any number of units.
- The total number of birds at a farm must be in multiple of one unit.
- There is no need of establishing one unit far from second or third unit.

(b) Incentives

1. Interest subvention:-

Entrepreneurs will be entitled for getting 10 point percent interest subvention on loan (TL+CC) taken from bank for five years (60 months) from first installment repayment to bank to the maximum of Rs. 40.00 lac per unit. This benefit will multiply with number of units.

2. Exemption from Stamp Duty

- 100% exemption in the stamp duty on purchasing of the land for poultry units maximum area is 3 acre land/unit in the case of Commercial Layer and 6 acre/unit in the case of Broiler Parent.

3. Exemption of Electricity Duty

Provision has been made to provide following benefits on electricity bill to these units.

Commercial Layer one Unit	@ Rs. 1200/- per month for 10 years
Broiler Parent one Unit	@ Rs. 2400/- per month for 10 years

4. Rebate in CST & VAT

In units where capital investment is more than Rs. 5.00 crore then the poultry unit will be eligible get interest free loan (IFS) equal to the total amount of CST and VAT deposited from the date of first sale upto 10 years and this amount will be repayed as full amount by the entrepreneur after 7 year from the date of receiving the loan.

Exemption from Mandi Tax

If the investment in plant, machinery and spare parts in the new unit is more than Rs. 5.00 crore then such unit will get exemption from Mandi Fees on purchase of raw materials for 5 years as per food processing policy-2012 of U.P.

5. The Poultry Entrepreneurs will also get following benefits.

- 5.1 Under the schemes 100 percent stamp duty exemption will be given on purchase of land in any part of the state (maximum 3 acre for one layer unit and 6 acre for one unit of broiler parent bird) for which furnishing of Bank guarantee and a certificate from the Chief Veterinary Officer of the concerned district will be mandatory. U.P. Govt. order Kar Evam Nibandhan Anubhag-7 Notification NO. K.N. 7-344/11/2012/312(98)/2012 Lucknow dated 01-04-2013
- 5.2 Electricity duty for these unit will be exempted for 10 years up to the limit as prescribed by U.P. Govt. Order. Energy Section-3 No. 1026/Thirty Seven-P-3-2013 Lucknow Dated 12 June 2013
- 5.3 In case the capital investment on establishment of poultry unit is more than Rs 5.00 crore, then the poultry unit will get interest free loan equal to the total amount of Central Sales Tax and VAT deposited from the date of first sale upto 10 years and will be repayed as full amount by the entrepreneur after 7 years from the date of distribution of loan.
U.P. Govt. Order No. 1854/37-2-2013-1(45)/12 T.C.

- 5.4 Similarly, if the investment in plant, machinery and spare parts in the new unit is more than Rs. 5.00 crore, then such unit will get exemption from Mandi Fees on purchase of raw materials for 5 years as per food processing policy- 2012 of U.P.
6. Application form available on website shall be submitted to Director, Animal Husbandry, Uttar Pradesh, Gokarannath Road, Badshah Bagh, Lucknow

Proforma 'A' is for Commercial Layer Farming. Proforma 'B' is for Parent Broiler Farming

For details contact to the Director, Department of Animal Husbandry, Gokarannath Road, Badshah Bagh, Lucknow, U.P. Telephone No. 0522-2740238, 0522-2740482, Fax-0522-2740202. Investors can also contact on **Toll Free No. 1800 180 5141, 0522-2741991, 0522-2741992** and Fax No 0522-2740832. You can also visit on department **website- <http://animalhusb.up.nic.in>** for information.
